

Foxhead Six-Hole NAF Fingerings

based on Nakai Tablature for Native American Flute

developed by Clint Goss

The diagram illustrates the fingerings for various notes on a Foxhead Six-Hole Native American Flute. It is organized into three systems, each with a musical staff and corresponding fingering diagrams.

- System 1:** Root, Minor Third, Fourth.
- System 2:** Fifth, Seventh, Octave.
- System 3:** Minor Tenth.

Each note is shown on a treble clef staff with a key signature of three sharps (F#, C#, G#). Below each note is a diagram of a six-hole flute. Black dots indicate closed holes, and white circles indicate open holes.

Notes:

- Fingerings for Foxhead Wood Flutes by Malcolm Shute.
- For notes with two fingerings, use the one that sounds best on that particular flute.
- Fingerings for notes above the octave note may vary among individual flutes.
- Notes above the Minor Tenth may not resonate on a particular flute.
